

Decree of Division and Establishment

In the sovereign dominion of Verdisolia, under the auspices of the Ipsissium, I, Ipsissimus Prosper, in recognition of the evolving dynamics within our esteemed Solisara Research Territory, do hereby declare and ordain the following:

Article I: Division of the Solisara Research Territory

1. The Solisara Research Territory shall be bifurcated into two distinct entities, effective immediately.
2. The division shall be demarcated by the treeline, henceforth to be known as the Solisara Border.
3. The territory extending beyond the Solisara Border shall be designated as the Maat Commune.

Article II: Establishment and Symbolism of the Maat Commune

1. The Maat Commune derives its name from the ancient Egyptian concept of "Maat," signifying harmony, truth, and justice.
2. In Egyptian mythology, Maat is the goddess who personifies the cosmic order and justice in the universe. Her symbol, the ostrich feather, represents truth and balance.
3. By naming this newly formed Commune after Maat, we symbolize our commitment to uphold principles of harmony, justice, and balance within our community and its interactions with the broader world.
4. The Maat Commune shall serve as a beacon of these ideals, fostering unity among its residents and promoting cooperation in our pursuit of knowledge and understanding.

Article III: Implementation

1. The transition of administrative responsibilities and territorial delineation shall be overseen by the Viceroy of Maat as appointed by Ipsissimus Prosper.
2. This decree shall take effect immediately upon issuance, superseding any prior provisions that may contradict its terms.

Issued under my hand and seal on this day, the 21st of June, in the year 2024.

Ipsissimus Prosper
